building progress - taking shape!

The steelwork is now erected giving an impression of the new main hall's size and shape. The 'service' building ie the reception, bar, kitchen, WCs, storerooms etc is also starting to take shape with the block- and brickwork perimeter walls being built.

The picture below shows the poured concrete floors again completed throughout the building footprint. It won't be long before the main hall roof and cladding appears and the 'service' building roof trusses are lifted into situ when the brick walls are completed.

There are also some super aerial pictures of the site taken from a drone on the Community's Facebook page. See : [/www.facebook.com/groups/214986542298970](https://www.facebook.com/groups/214986542298970)

The current hall is re-opening on 12th April 2021

INTERESTED IN BECOMING MORE ACTIVE – CLOSER TO HOME?

a typical MUGA –
multi-use games area

Delivered with this update is **a community survey** which the **MUGA project team** would very much like you to complete and return to them – even if you don't plan on buying any trainers! All views are wanted.

The deadline for your reply is Friday 9th April 2021 but please try to get it in as soon as you can.

The survey form advises how to return your views either electronically or by hand – to either the letter box in the porch at the village hall or the post box now inside The BookStop.

What's it all about?

The Village Hall has planning permission for a MUGA, granted at the same time as the permission for the new hall. The MUGA team wants to understand the community's thoughts and ideas on having a MUGA and what you and yours would like to do on it.

This information will then help the Team to formulate and support the applications for grant funding to organisations that offer financial help for such community initiatives.

So your views are very important. Let's have them. A simple way is to complete it online at: <https://www.surveymonkey.co.uk/r/QCSZD6D>

No survey form delivered / lost / eaten by dog? Spare ones available at The BookStop !
